Gentlemen,

Enclosed please find the Final Operating Unit 15 (OU-15) Technical Memorandum Number One (TM-1) and the associated Response to Comments, which resulted from the review of Draft TM-1. This Final TM-1 document is being sent for your review and comment. The Final TM-1 incorporates the formal comments received and the verbal comments, which resulted from the March 17, 1994, meeting between DOE, EG&G, EPA and CDH. We are again utilizing the parallel review process in order not to impact the submittal of the OU-15 Phase I, Draft RFI/RI Report on August 1, 1994

We request that you return your comments to this office by May 24, 1994.

If you have any questions or concerns please contact Dr. W. N. Fitch of my staff at telephone 966-4013.

Thank you for your cooperation and prompt attention to this matter.

Sincerely,

Scott R. Grace for

Frazer Lockhart
Director, Environmental Restoration
